

Mission Statement

Brookline Firefighters Local 950

To serve as an integral part of the International Association of firefighters, The Professional Firefighters of Massachusetts with identical purposes and objectives.

To bring the union membership and their associates together in conference at monthly meetings to discuss ways and means for the betterment and advancement of the union organized fire and emergency services.

To assist the membership in maintaining high standards of personal and departmental efficiency in health and safety.

To help develop and expand public relations of the union fire and emergency services at local, state and national levels.

To promote fire prevention and public education programs.

To aid in establishing standards for our local membership

To sustain the high traditions of the fire and emergency services and to promote the welfare of all of its members.

To coordinate the efforts of all those engaged in the field of fire and emergency services in order that such concerted action shall gain the confidence of the public and achieve steady progress against the ravages of natural and human-made disasters.
